Accreditation in the European Network of Blue Schools (NEBS)*

- The school is the accredited member of the Network of European Blue Schools
- The school aspires to become a member of the Network of European Blue Schools and will submit an application to the Network by the time of completion of the SHORE funded project if selected for funding.

- If you selected the second answer, please describe briefly how you intend to meet the prerequisites to become accredited members of NEBS.

[1000 characters]

Please state the school's accreditation status in the European Network of Blue Schools, according to Annex 1 - SHORE Guidelines for applicants. To do so, please choose one checkbox as an answer.

INSTRUCTIONS: *The Network of European Blue Schools is established under EU4Ocean coalition. The prerequisites to join NEBS can be found here: https://maritime-forum.ec.europa.eu/theme/ocean-literacy-and-blue-skills/ocean-literacy/network-blue-schools/become-european-blue-school_en*

Please indicate how much funding you request for your project implementation. *

INSTRUCTIONS: *Please insert your budget in numbers. The maximum budget for one project is 10.000,00 provided in EURO currency.*

RELEVANCE

How do your project activities contribute to increasing ocean and water literacy among students and how are they connected with the Mission Ocean objectives?*

INSTRUCTIONS: *When answering this question please refer to the objectives of the EU Mission "Restore our Ocean and Waters by 2030 Implementation Plan". Please refer to section 1.2 of the document:*

https://research-and-innovation.ec.europa.eu/system/files/2021-09/ocean_and_waters_implementation_plan_for_publication.pdf

[1000 characters]

Do you plan to cooperate with other blue schools and with whom? How will you elevate the project's activities to the European dimension through cooperation or twinning activities? *

INSTRUCTIONS: Make sure to identify specific partners you would like to work with and outline relevant twinning activities with blue schools from other European countries. The cooperation and activities in question should support the exchange of experiences, best practices and successful stories between teachers and their students, stemming from blue projects and ocean literacy-driven actions.

To find suitable partners for cooperation/twinning, please refer to: EU4Ocean Platform: https://maritime-forum.ec.europa.eu/theme/ocean-literacy-and-blue-skills/ocean-literacy/eu4ocean-platform/eu4ocean-platform-members_en#discover-the-eu4_ocean-platform-members or eTwinning portal: <https://school-education.ec.europa.eu/en/etwinning>

[1000 characters]

How do you plan to support the values of the European Climate Pact pledge with your project? How will the activities contribute to carbon neutrality and decarbonization? *

INSTRUCTIONS: Please mention the specific actions your project will take to reduce the carbon footprint and other types of pollution. Commitment to Climate Pact Pledge is one of the important aspects of funded projects. Make sure your proposal explicitly mentions adherence to the European Climate Pact Pledge: https://climate-pact.europa.eu/about_en

[1000 characters]

IMPACT

How do you plan to engage local stakeholders and the community in project activities?*

INSTRUCTIONS: Make sure to specify key actors involved in project implementation, mentioning specific local stakeholders, their role in the project implementation, and your plan to reach them. Examples of local stakeholders include families and parents, community groups, local businesses, public authorities, and NGOs.

[1000 characters]

What makes your project and funded activities innovative?*

INSTRUCTIONS: While describing innovative character of proposal and activities provide details of the project's unique aspects such as approach, methodology or new activities for a selected group of students. How do those aspects differentiate your project from existing initiatives? How will open schooling methodology be applied?

[1000 characters]

How do you plan to promote the project?

INSTRUCTIONS: Make sure to explain how the project will be given visibility through detailed and impactful communication strategies on local, national or at the European scale. It is recommended to add a list of clear dissemination actions via different tools (e.g., presenting

project at public events, posting about the project via project /school/local community webpage and social networks, issuing press articles/statements in local/regional/international media (newspaper, radio, TV).

REQUIREMENTS TO JOIN SHORE

If selected, do you agree to sign the “Annex 4 - SHORE Declaration of Honour”

- Yes
- No

Please select a checkbox as your answer

I CONFIRM that I accept all conditions in ANNEX 4 - SHORE Declaration of Honour and information contained therein and that it will be provided signed and stamped if this proposal will be accepted for funding. Click here to visualise this document: [click on the PDF link in the online application form](#).

Acceptance of the SHORE Open Call rules*

- Yes, I have reviewed and accepted all the conditions of Annex 1 - SHORE Guidelines for applicants

Please select a checkbox as your answer

Click here to visualise the Annex 1 - SHORE Guidelines for applicants available at: [click on the PDF link in the online application form](#).

Double Funding*

- No risk of double funding

Please select a checkbox as your answer

Proposals from applicants and linked schools (see table of Terms and Definitions) must demonstrate that there is no risk of double funding. The fundamental principle underpinning the rules for public expenditure in the EU states that no costs for the same activity can be funded twice from the EU budget, as defined in the Article 111 of Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation.

Conflict of Interest*

- To the best of our knowledge, there is no conflict of interest

Please select a checkbox as your answer

Beneficiaries must take all measures to prevent any situation where the impartial and objective implementation of the sub-project is compromised for reasons involving economic interest, political or national affinity, family or emotional ties or any other shared interest.

Resubmission

- This application is a resubmission

If the school applied for SHORE Open Call#1 and was not accepted, and you are improving or reframing the application, it is mandatory to flag that this is a resubmission.
